Welcome to the Holiday Season. Everything we can think of that we have done year after year will be done again. Shopping, cooking, eating too much, naps, eating too much again, kids, cleanup and that all important relaxing deep exhale when it's all over. And of course, the words 'this is the last time we do this', which we all know is not true. Once we relax and unwind from the season we all realize we are grateful for what we have and most of all can provide to our family – like them or not- and friends. Please take to time to tell them or at least give them a silent thought of appreciation. They may not make you happy all the time, but thank them for the times they have.

Thank you for all those who attended and participated in our budget meeting. Great turnout. It's long way off, March 2018, but our Annual Meeting is the next one we expect your participation in. There will be 3 positions open – as of now. Please consider running if you feel you can contribute to the future well being of your Park.

There are still a few hurricane repairs to be done although many have been completed or in progress. remember even the little siding issues or screen issues need to e taken care of as part of regular maintenance.

Since it's the holiday season I will not drill into you the needed maintenance on homes. You should know by now what needs to be done. But if you need reminders I will take my time to let you know. Again, please do not pay me to write you letters of compliance. It really is a waste of my time and your money.

We will have the mail room project completed shortly and will let you know of any upcoming items that may need attention.

Palm tree planting – for those who want them replaced will be announced in the Feb Beacon with an attached form those to submit their written request.

SPEEDING is TERRIBLE – we have residents who consistently speed among outside trucks, but it should not be an issue with our residents. I need to know date-time and road that are speeders are reported on. We can only do our best at letting people know they are putting themselves and others in harms way. If they want to defend this by saying "prove it" they are only fooling themselves and getting away with nothing. The season brings additional drinking and more situations for accidents. Do not be one of them. Slow down.

Homes for Sale

Currently only 4 homes are for sale. Only 2 are listed with a realtor and 2 homes -unit 62 and unit 172 are listed BY OWNER. The "by owner" info has not been sent to the office so please call them directly if you need to view. Our home values have continued to get better. Thank you to those who have helped.

Unit 140 – 78.5K

Unit 249-76.5K

Happiness and Health to you all. Hope you all had a thoughtful HAPPY THANKSGIVING!! and a Very MERRY CHRISTMAS Safe travels, enjoy family, love life.

Tony

Welcome to the fall season in Florida. No real difference from past seasons. At this point we should all know how it works and how we should work to take care of our yards.

As you may have noticed the trend in Florida and the subject of these articles, as with any lush flowering garden or healthy lawn, you are always preparing for the next season ahead. What you do today to your lawn and plantings you will see the results in the next quarter.

Actually it's what you do today, if done correctly, you will **not see** in the next quarter – and that is bugs and disease.

We are in a great period of the season – not too cool- not too hot. This will give you the time to make the adjustments to your lawn and garden feeding system. I repeat- this will give you the time.

Just like your body, your plants have to adjust and will go thru a short stress period. If they were not healthy, that stress period takes more of a toll on them and you will see damage. So keep an eye on your lawn and shrubs during this change in weather.

This is the time that you need to be positive that your sprinkler system is operating properly on a regular (weekly) basis. The lawns are used to getting the natural rains of the summer and they still need a good healthy dose of water (about 45 minutes a zone-1hour for rotor zones) once a week.

If they are starved of nutrients that they are used to, then your lawn is just like a wounded animal and subject to prey.

NOTE- DO NOT PANIC –This is the start of the semi-dormant season--if you see some browning or lack of growth over the next few weeks – this is natural when we get night temperatures in the 60's and 50's. most yards during this period only need to be cut 2x per month since growth is slow.

The stress levels of your lawn have started to slow down as well as the feeding habits of invading pests. Please do not be confused, this is just the start and the changes to the naked eye will be evident, such as slower growth of grass and shrubs, but that does not mean the critters that invade your lawn have stopped eating. They're out there.

A onetime watering for 45 minutes will force the roots to dig deeper for the water, by watering for a lesser time will keep the roots near the surface and making them more susceptible to burn in the summer, or freeze when there is a frost and easy prey for surface critters and fungus. Watering for an adequate time once a week is far more important than watering multiple days.

A blanket coating of a pesticide/fungicide liquid will also help greatly. Some of the better do-it-yourself products are made by Bayer and Spectracide. These products will not harm your lawn if over sprayed, BUT please read the directions, there is no need to put more chemicals into the environment than necessary.

If you feel the urge to fertilize, use a fertilizer with a higher last # (Potassium). This will allow your root system to strengthen for the winter season. Proper watering will also allow the roots to go deeper and avoid any frost we may get.

I cannot stress the importance of mastering the operation of your sprinkler system especially during this recent dry spell

What to get out of this is to make sure your sprinkler systems are in full working order.

Sprinkler systems 101. First ask yourself how likely are power surges in Florida? Now that you know it's pretty much an everyday occurrence here please read the following simple advice about your sprinkler system.

Your sprinkler timer **MUST** have a good battery in it, change it every 6 months. The battery **ONLY** holds the time settings during power surges. **IT DOES NOT RUN YOUR SYSTEM.** The battery, although it's a low voltage system, does not have enough umph to open or close your valves. Also, if the battery is bad, a power surge will reset your timer to the original factory settings which are 10 minutes per zone 7 days a week. If the battery is good the proper settings will hold.

It is highly recommended to get a cheap (\$8-10) surge protector and add it to the system. During power surges there is a very good likelihood that the small fuse will burn out in the timer. If this happens your system will not work at all. This surge protector is a cheap addition as opposed to a dead lawn replacement. There is also the possibility of burning out the transformer, although less likely, it's a possibility. Simple items, simple fix. Low cost.

This is a must

Clean the grass that has grown up around your sprinkler heads. Overgrown grass inhibits the water flow that covers your entire yard, those areas not covered will turn brown and die and/or be susceptible to pests.

Make sure there is proper coverage. Every sprinkler timer on the planet comes with a MANUAL program. This is so you do not have to run out in your undies at 3AM to see if your system has no broken or grass covered heads. It can be done anytime you want by the simple push of a button or 2. Any system can be checked in about 4-5 minutes, tops.

Now is also the time to freshen up the mulch in the flower beds. Again a good 4 inches is recommended. This will not only prevent some weeds from germinating but also retain water in the soil. Remember keep the mulch about 2 inches from the trunk of a tree or stem of a bush. The plant tends to rot if the stem stays wet near the base for an extended period of time.

I will be reminding you throughout the fall and winter months to keep an eye on your scrubs and flowering plants. If they are not filled out as you are use to or there are areas of dead branches and bare at the base, this may be signs that they have lived their life or they are in the incorrect spot in your yard. We will investigate the issues in future articles

More on fall and winter gardening in Florida in the next article

See you next month

It's a good day on the green side of the grass

The Stonehedge Activity Committee needs many volunteers to continue the tradition of providing fun activities in the Park.

Please consider running for the Committee to help us achieve our goals. We are always in need of new talent, in both the business aspects and event planning. We need **YOU** to keep the programs fresh and exciting. **Please** fill out the attached application of intent to be a candidate.

ACTIVITY Committee NEWS

Janet Purtee, Secretary

The holiday season is definitely in the air as more residents are coming back to Stonehedge each day to enjoy the "retired life". The clubhouse is beautifully decorated inside and out, and events and activities are busily being put into place. This is a good time to reflect on our many blessings and look forward to a new year of fun and friendship.

December activities planned:

December 2-Progressive Party hosted by Mary Lusk . A fun time and great way to meet new residents!

December 3-Golf Cart Parade hosted by Janet & Bob Purtee. Meet at clubhouse at 6pm. Fun fun! Afterwards bring a snack/dessert to clubhouse to share.

December 6-Ladies Luncheon hosted by Debbie Tudor and Ellie Pulliam. This will be at Bumpas. Time is 12:00 noon. Please bring \$3 for the Tarpon Springs Fire Department donation.

December 9-Christmas Dinner Dance hosted by Deb Ingalls. Music by Glad All Over. Wonderful way to celebrate the holidays!

December 14-Mens Luncheon hosted by Jim O'keefe and Jim Bruno. This is at Longhorn Steakhouse at 12:00.

December 19-Christmas carolling hosted by Ron & Penny Curvin. Meet by flagpoles at 7:00 pm. Bring a snack to share afterwards.

December 24-Christmas Luminaries hosted by Bruce Mueller. Always beautiful!

December 24-Christmas Eve Program hosted by Dick Elton. Fantastic service which includes choir presentations.

December 25-Christmas Pot Luck hosted by Sandy Aldrich and committee. Sign up/information sheet is on bulletin board.

December 31-New Years Eve Dance hosted by Penny & Ron Curvin. Tickets will go on sale Dec 6. Cost is \$20 per person. This includes a light buffet. BYOB Entertainment will be Jose Duddy. Great way to bring in the new year!!!

PROGRESSIVE CHRISTMAS PARTY

Mary Lusk

Attention all Stonehedge friends, please come and join your neighbors for a "Fun-filled Christmas-Cheer Evening" by signing up for the party.

**Progressive Christmas Party.
Saturday, December 2 beginning at 6 p.m.**

We start by spending about 50 minutes at each designated home, (usually 4 or 5 stops) and end up at the Clubhouse with your leftovers and more partying and games.

Each host prepares light hors d'oeuvres and either alcoholic or non-alcoholic beverages, enough to serve 8 to 10 guests. What a great way to meet the new people in our Park!!!! For more details, watch for the sign up sheet in the clubhouse.

**STONEHEDGE BINGO
ON THURSDAYS!**

Join us for Bingo.

Cards must be purchased by 6:30

Must be 18 or over to play.

*Christmas
Dinner/Dance*

Please join your friends and neighbors to celebrate the season on Saturday, December 9, 2017. Dinner catered by Cody's.

Cocktails 5:00 - 5:45

Dinner 5:45

Dance 7:00 - 10:00

Music by "Glad All Over"

Christmas Pot Luck Dinner

Sandy Aldrich, Committee Chair

Cell: 606.831.3391 Unit 136 Buttonwood

A sign up sheet will be in the Clubhouse the beginning of December for the Pot Luck Dinner.

Suggested items to bring: Green beans, rolls, sweet potatoes or casserole, cranberry sauce or relish, corn (any style), pies or other finger desserts.

The committee will provide: Turkey, stuffing, gravy, baked ham, squash, and mashed potatoes. **See you there!**

Thank you

Thank you everyone for the cards, condolences, and prayers for Donna's brother passing on October 22nd. In California.

Donna and Jerry Kinsey

Just wanted to thank all our STONEHEDGE FAMILY for the many cards, prayers, and phone calls during Bob's cancer treatment this summer. Without all this love and support, it would have been much more difficult. Love you all! Thanks again.

Bob and Janet Purtee

Thanks to Diane LaFosse for making reservations for the Ladies Luncheon Buffet on November 9th. She also made the lovely bracelets we all received. The play was lots of fun!

(No author presented to the Beacon)

A big thank you to Judy Scott for the November Health Fair. We certainly appreciate all the work that went into that event.

Susan Elton

HOSPITALIZATIONS:

None reported! Good news.

Jewelry, Jewelry, Jewelry

Since we have retired from selling jewelry at the Spring Fair after doing it for many years, we would like to you to know the residents taking it over are Stephanie Welker #85 Phone 330.993.7909 and Audrey Jaspers-Fayer #253 Phone 519.938.2468

It was truly our pleasure for many years.

Sincerely, Linda Kosloski & Joan Mrowczynski

*Our Deepest
Sympathy*

**Our condolences to the families and
friends of the following
Stonehedge residents:**

**Mal Hunt (#159)
Mike Mitrov (#227)**
