Tony Toscano

Well as always if you happened to be away for a few days in February, you missed winter here in Florida.

I will repeat what was in last month's Beacon because I feel it's worth repeating.

Take a day to do what you love about Florida, pick an evening and enjoy the sunset at a nice Beachside restaurant. Take in an afternoon movie and treat yourself to a nice dinner. For those of you who enjoy a walk, take a ride to the Beach for your morning walk – even if it's for one morning. You may realize that life is much more fun and relaxing when you enjoy what you have worked for.

Ongoing issues-projects here at the park etc:

Channel 95: This service is no longer offered by Spectrum. This service must be purchased by the park if it was to continue. For the digital system, the cost is in the \$3000 neighborhood. Because of this cost the channel 95 service will not be offered in the future.

Retention Pond: Missing 30' of fence installed.

Pool Chaise Lounge chair Raffle: The 10 lower pool chaise lounges that we replaced with the high ones were to be raffled to the residents. Only 3 chairs were requested so they are available at a first come first serve basis AT A COST OF \$25 per chair. Please notify the office BEFORE taking one.

Annual Meeting CORRECTION

Stonehedge Annual Membership Meeting will be held on March 15th 2017.

NOTE: IT WAS INITIALLY REPORTED ON THE AGENDA MAILED THAT THERE WOULD BE NO ELECTION

THERE IS AN ELECTION – THERE ARE 4 CANDIDATES FOR 3 BOARD POSITIONS – PLEASE VOTE

CLUBHOUSE and POOL CLOSED
Thursday March 2nd—main clubhouse transformer must be changed out- Duke will take the entire back lot with 8 or so trucks and a crane – ALL CARS MUST BE REMOVED BY NOON on WEDNESDAY the day BEFORE (by noon on 3/1)- SUBJECT to TOW

Haz-to -Go truck (9AM-12noon) and Shredder truck (10AM to 1PM) will be on site Tuesday --March 21 – in front of the clubhouse **-SEE NOTICES POSTED ON BULLETIN BOARDS AND IN THIS MARCH BEACON FOR WHAT TO BRING and WHAT NOT TO BRING**

Holes have been cut in the manhole on Skyline to allow water to drain

New full supply Medical kit purchased and installed in the kitchen

Unit 79 - \$91.5K

Ongoing Stonehedge programs:

“Walk of Life” Brick program: Memorial Bricks can be purchased for yourself or prior residents as a memory/dedication/honor that has been built around the 3 Flags in front of the clubhouse. Bricks can be purchased for just about any dedication: those residents who have served in the armed forces, past or present resident, to honor a loved one or pet, or to social clubs that have operated within Stonehedge

Home State: Residents home states are listed in the phone book with your permission. Please notify the office if you want your home state added to your listing. Check the phone book for the section of the listings

REMINDER: Requests are made to keep a list of residents Emergency Contacts on file at the office. As time goes by some of these emergency contacts may have changed. Please make sure your emergency contacts are up to date.

USING MULCH AROUND ORNAMENTALS

Applying mulch around ornamentals is a common practice in most urban landscapes. Mulch can improve plant growth, enhance landscape appearance, prevent plant damage, reduce maintenance time (weed control) and decrease water demands. Common mulch materials include bark, wood chips, peat moss, lava rocks, pine straw, limestone chips, and washed gravel.

Types of Mulch

Various types of mulch materials are available. Tree bark, wood chips, or peat moss mulches provide the greatest benefits to ornamentals. These materials also provide a pleasing color upon weathering. Avoid the use of polyethylene mulch (plastic), either alone or under other mulch materials.

Advantages of Mulch

- ◆ Weed and Grass Free Area - Mulch reduces competition between weeds or grass and the ornamental plants. A grass free area also protects plants from potential injury during mowing, weeding, and trimming. This is especially beneficial to young transplants.
- ◆ Conserves Water - Mulch reduces water loss from evaporation.
- ◆ Moderation of Soil Temperature - The soil under mulch is cooler in the summer and warmer in the winter. This can improve root activity in the summer and help extend root growth through fall and winter.
- ◆ Reduces Soil Erosion and Water Loss - Mulch helps prevent soil movement and water run-off.
- ◆ Improved Soil Structure - Organic mulch improves soil structure. Aeration and biological activity also increase.

- ◆ Enhances Landscape Appearance - Plants and planting beds with mulch have a cleaner appearance. Proper mulch emphasizes the ornamental plantings.

Precautions When Mulching

- ◆ Introduced weed seeds - Some organic mulches (wheat straw, corn cobs, etc) may introduce weed seeds and/or provide an ideal media for weed seed germination.
- ◆ Increased Fertilizer Demand - Some organic mulches, such as sawdust, tie up nitrogen in the soil as they decompose. Additional fertility is needed for adequate plant growth.
- ◆ Mulch Can Be Dislodged Into Turf - Certain types of mulch (large bark chips, rocks, etc.) can be dislodged from the mulch areas. This creates a maintenance problem and may damage mowing equipment.
- ◆ Too Deep of a Mulch Layer - Maintain mulch at a 1-3 inch thickness. A layer greater than 3 inches will increase water retention, decrease air and gas exchange, and cause shallow roots. Keep mulch away from the base of trees and shrubs because it provides an ideal place for insects, disease pathogens, and rodents.
- ◆ Plastic or Fiber Mats Used Under Mulch - These materials restrict the movement of water, air, gases, and nutrients in and out of the soil, which is detrimental to root growth.
- ◆ Rocks and Gravel Mulch - Light colored mulches such as gravel and rock can reflect large amounts of light and heat. They are not recommended for sunny locations or where heat may be a problem.

FROM THE SRI BOARD

Jayne Lucas, Board President

As usual, March is a very busy month at Stonehedge. Beginning with the carport sales, Spring Fair, annual meeting, St Patrick's Day and ending with the Snowbird Party. The time of year to clean out our closets and sheds, pick up new treasures and elect new SRI Board Directors. March is also a bittersweet time of year, when many of us start thinking about returning north to our families at month end.

In February, we completed a few projects; the fence at the retention pond has been replaced where it blew out this summer and the shop has been given a fresh coat of paint.

Be sure to complete your ballots for three (3) new board of directors from the following candidates:

Susan Elton, Terry Ellingson,

Jerry Kinsey, Darrell Streff.

Also vote yes or no for speed humps, turning them in via mail or drop off at the office before March 15, 2017. You can also wait and cast your ballot/vote at the annual meeting on March 15, 2017.

To paraphrase an old saying: May the Florida sunshine shine upon your face....

SRA NEWS

Janet Purtee, Secretary

It seems to me that the winter is flying by, and it won't be long before all the "snowbirds" will be heading back north. But the month of March is full of fun activities. Plan to join in on the fun!!

March activities planned:

March 4 is Carport Sale hosted by Ken and Marth Collier. Great way to clean closets and make some \$. Also fun to shop for the bargains.

March 11 is Spring Fair. This is the biggest money maker for SRA. Great deals and a funfilled day. Lunch will be served also.

March 17 is St. Patrick's Dinner/Dance hosted by Fran and George Daly. Music will be provided by the band All Shook Up. Time is 5:30-9:30. Tickets are \$10 which includes a corned beef meal and will be sold March 1 and 8.

March 19 is Dance Party hosted by Jim and Cheryl Kolbe. This is a free event and a lot of fun. Just bring a snack to share. Time is 7-9pm.

March 25 is Pancake Breakfast hosted by Bob Purtee and Phil Dailey. Cost is \$5. Hot off the grill pancakes, scrambled eggs, sausage, juice, and coffee. Time is 8-10 a.m. Yummy!!

March 26 is Snowbird Party hosted by SRA. This is a potluck. Chicken and tea/lemonade will be provided by SRA. Time is 4-8pm. Entertainment will be Scott Fallon. Come and enjoy this free event loaded with fun and good food!

Fix Small Problems Today Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Help keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a 20 Year Transferable Warranty!
