## **Beacon Distribution**

The Stonehedge Beacon is published monthly to keep you posted on Park News and Activities.

**The Beacon is available in color electronically at [stonehedgeonthehill.org](http://stonehedgeonthehill.org). It will be available in a box placed at the mailboxes and inside the Clubhouse. If you are unable to pick up your copy of the Beacon, we can arrange to have a copy delivered to you.**

## Manager's Korner

March 2018

Tony Toscano

Well I guess this year we actually had a winter. In the past if you managed to stay away for the few weeks or so of temperatures in the 20's, 30's and 40's you were good for the nearly 10 months of summer haha. We are an adaptable group- can you detect the sarcasm? None of us like change, although I hear it make s the world go round. It would be nice if it stopped for a bit, so we can enjoy the ride. I hear time flies, and I can believe it when any type of change hits close to home. Shannon has been here maintaining this property for 9 years and now that he is leaving it does seem like time has flown. It would have been nice for him to stick around for at least another 4 years, 1 week, 3 days, 12 hours and 33, 32,31 and counting seconds. But – That Bastard!! Hahaha Wishing him the best of luck.

Needless to say the world turns and the projects move on

Updates on the park projects;

**Road Seal** – 2 bids on file awaiting 1 more

**Roof replacement for mailroom and garage** – 1 bid on file awaiting 2 more

**Clubhouse time cleaning and grout seal** – 2 bids on file awaiting 1 more

**Maintenance man replacement** – as you should know by now Shannon is leaving as our 9-year maintenance/grounds man. I have worked side by side with him for the entire time he has been on property and he has been a 13+ year employee of Ameri-tech. Taking care of 34+ acres with 265 homes has not been an easy task since the only help he got was when I got out of the office which was not as often as needed. (some other associations hire out as much as \$6000+ of day labor for jobs that need additional help to complete)

Aside from the usual tasks, some of the "other" projects that he had a direct hand in was the Memorial walkway, the renovation of the mailroom landscape renovation, the additional paver walkway by the shuffle courts, the bicycle rack by the library.

Some of the additional above items were the major water leak repairs, working directly to assist the contractors to get their projects completed, such as the mill and paving of the roads. We have constantly been complimented by the Dept. of Health inspectors over the past 9 years that we have the most spotless and well-maintained pool in the area.

As we all know or should know – no one is perfect – and everyone has an opinion and I respect those who have researched the complete understanding of what the job was before they express that opinion.

Since I am the best judge of his work ethic- his dedication- his concern for items that were or were not his responsibility or part of his job description and beyond as well as his overall job performance- I can clearly say that he has been a great person to work with and I am grateful for what he has done for me and my concerns are what happens for the residents of Stonehedge. I am glad to have the opportunity to have known, worked with and to thank him in person.

**RECORDS AND KEY CHECK** – Please make time to stop into the office to check your emergency contacts and to make sure we have current keys on file just in case of an emergency while you are gone  
Jerry Kinsey will be in the office on Wednesday April 4<sup>th</sup> after coffee hour to assist in checking these records for your benefit.

### **Homes for Sale**

There are still 5 units for sale (one already under contract)

Unit 225 - \$69.5K      Unit 102 - \$81K

unit 236- listed at \$68.5K-Under contract

Also units 23 by owner and unit 84 listing thru another realtor – inquire direct at home for info

Laugh when you can

Apologize when you should

Do not dwell on what you cannot change

Let go of what you cannot control

Take charge of what you can

Safe travels, enjoy family, love life

**Tony**

# The Landscape Article

By the landscape guy

4-2018

Spring is Springing !! and so is every plant, shrub, and pest. Your lawn and flower bed plantings are getting ready to establish themselves as the pride of your yard and adjust to the change of season. The more you did last season the less you have to do this season.

This is the best time of the year. If you have followed the advice of the past articles your lawn and flower beds should be prepared for what's ahead. We had a pretty tough winter season NOW is the best time to check those plantings that did not make it thru the cold season. If you have notice that some new plantings or even some old ones that did not make it through the winter looking good, it is time to pull them and consider a change of plants.

Whether you know it or not your plantings do adjust to the climate changes of Florida as do plantings throughout the world. That's why it's always best when looking to replace older or dying plants (and NOW is the time to do that by the way) look for FLORIDA NATIVE flowers for ZONE 9-9A. Also when looking for new plants LOOK and READ the label or even better check the internet for a more in-depth review of the plants habits and planting preferences. Just because a plant states it will work in zones 9-9A – it may like shade and not take the full blown sun we have in July-August. Don't always believe what you read on the plant labels. Seeing is believing. Check out your neighbor's yard and surrounding plantings in the neighborhood. See which ones you like and which ones are thriving now. Take a picture or a sample if you can and match it up on the internet or bring it to your local nursery for identification.

You may not see it yet but your plants are on a strict schedule, especially those that have been in for over a year now that have made it thru the season. They should be adjusted to the increase of sunlight of spring and the cool weather of the last winter season.

## **These are the most important things you need to do even if you plan to do nothing**

- a. Making sure your sprinkler system works properly - if not-- FIX IT
- b. Keep in touch with signs of stress and taking corrective measures BEFORE you leave it alone

New growth also means FOOOOOOD !! for our regular pests and bug friends that invade our lawns and plants. Remember pests and bugs are also a part of nature. We need to do our part to help all survive together. Now is the time to keep that watchful eye out. New growth is a prime target for all new offspring of every Florida pest.

**WATER:** This is the time your plants and lawn will adjust to the natural rains. Keep in touch. Plants take what they need an if you continue to blast your lawn and plants with irrigation water you are doing more damage than you know, but you will see the damage in a short period of time. Adjust your sprinkler system to the weather. 1-1&1/2 inches a week is sufficient. If we get that in the natural rains – SHUT YOUR SYSTEM OFF for a week. Make adjustments accordingly

New growth on flowering plants and scrubs can be trimmed back after about 4-6 inches of the growth appears. This will encourage even more flowers and thicker, healthier plants.

Now is the time for new sod and now is also the time to keep an eye on it. New sod needs at least 30 days of watchful eyes. Watching sod daily after installation is critical. New sod can die in a day or 2 if not watered properly.

Temperatures are not too hot as to burn the new sod and we are just getting into the early part of the rainy season to help with that new growth. DO NOT FURTILIZE new sod with your regular basic fertilizers. Best to use are products called Milorganite and Scott's Starter for new lawns, purchased at any local home improvement store. These products are non burning fertilizers that cater to new sod installations.

Remember we are not the only ones who like to retire to Florida, bugs love this weather as well.

Tis' the season. Keep your eyes open and you may not only spot some of the invading pests earlier enough to save your gardens before it's too late, but you may also spot a butterfly on a new flower or birds feeding on seeds of your scrubs and get to enjoy your healthy garden.

It's a good day on the green side of the grass

### **MANY THANKS!!**

We would like to thank everyone who donated jewelry for the Spring Fair! We are now accepting jewelry donations for next year. Steph will be here until mid April and will return in mid October. For those traveling north for the summer, please check your jewelry boxes. Maybe you will find jewelry that you no longer wear and would like to donate it for the sale. We appreciate your donations!

**Audrey Jaspers-Fayer #253 and Steph Welker #85**

### **St. Paddy's Party Thank You**

Our thanks go out to our Stonehedge family for making this a successful party. Bread & Butter Deli delivered delicious sandwiches again this year for our palettes to enjoy. Our thanks to Ron O'Curvin and Billy O'Roy for their enthusiastic Irish entertainment, to Jim Kolbe for helping set up the sound system, and to everyone who stayed until the end to help rearrange tables and clean up. A special thanks to our wait staff: Jim & Cheryl Kolbe, Jim & Cheryl Bruno and their guest Mary Ellen, and everyone who made our job easier.

Sincerely, George & Fran Daly and Dick & Sue Babcock.

### **Spring Fair Luncheon Thank You**

Such a great lunch crew who made our job a lot easier! You all worked so well together, starting with the ticket sellers: (Marlene & Stan Hall and Fran Daly); to the kitchen crew: (Fran & George Daly and Linda Phillips); to the dining room ladies: (Georgia Segó, Barb English, Sue Richards, and Joan Thornton), thank you all so much for volunteering. Also, we want to thank the two residents who purchased the excess hot dogs. Ticket sales were down by at least 40, so you helped with the lunch budget. Sincerely, thanks to you all!

**Dick & Sue Babcock, #209**

### **New Friends!**

### **Welcome Jim and Janice Wood (Lot 79).**

The new couple joins us from Warren, MI. Jim and Janice both worked at the Department of Army and are both Federal Retirees. Jim worked at the Tank Automotive Command (TACOM) and He retired after 30 years service including military. Jim's hobbies include Racing and watching golf.

Janice worked at the (TARDEC) in the Research Center. Janice retired after 26 years federal service and her hobby is being an excellent cook.

They join Stonehedge as snowbirds and we are happy to have them as neighbors in the park.

## ACTIVITY COMMITTEE NEWS

Janet Purtee, Secretary

As I look back on this “snowbird season”, all I can say is it sure went fast! Many of us are starting to pack, clean out refrigerator, and do our last minute chores to head north. Stonehedge will soon be much quieter, but there will be activities throughout the summer. Make sure you check the bulletin board often. We do have a lot already scheduled for next season and am looking forward to seeing you all in the fall! Have a great summer! For now, here's our next month events.

### **Sunday, April 1 - Easter Sunrise Service.**

Always a beautiful program. Dick Elton will be leading this service. Choir will also be performing. Time is 7 a.m.

**Sunday, April 1-** Easter Breakfast-hosted by the Craft Club. Delicious food prepared for us to enjoy following the sunrise service. Plan to be there.

**Wednesday, April 4 - Farewell for Shannon.** As many of you know, he is moving and assuming a new job up north. He has been with us 9 years. We will have a special cake for him at coffee & donut hour. Come join us to wish him well.

**Tuesday, April 17-** Karaoke hosted by Jim Haehl. Always a lot of fun. Time is 7-9. Come sing a tune or cheer for the ones who do!

## New Rules & Regs

The 2 proposed amendments to the Stonehedge bylaws were approved by the park membership at the Annual Meeting and became effective on 3/21/18, as follows:

1. **Motorcycles**, including combustable (sic) engine scooters, are permitted in Stonehedge, with the following restrictions:
  - a) Motorcycles are limited to exiting or entering the Park, traveling to and from the owner's residence ONLY
  - b) The motorcycle must be titled in the unit owner's name
  - c) The motorcycle owner must obey all Park road rules
  - d) There shall be no revving of the engine at any time
  - e) Noise level restrictions will be at the sole discretion of the Board

2. **Visiting Dog(s)** – maximum of 2 – to a non-dog lot is allowed ONLY after receiving WRITTEN Board of Directors or management approval. The following apply:
  - a) A written request must be submitted at least 10 days in advance of the visit
  - b) The maximum stay is up to seven (7) days within a 30-day period
  - c) The owner of the dog(s) must be prepared to provide a copy of up-to-date vaccination records
  - d) Compliance with ALL existing pet restrictions is required

### **BIG THANK YOU!**

Thanks so much to everyone that donated to the basket raffle for the Spring Fair. We had some gorgeous baskets all due to your generous donations. Basket raffle made \$875! Thanks again.

**Gary & Liz Barth**  
**Bob & Janet Purtee**

**Karaoke's back on 4/20**

# Happy Birthday

We were looking at the Park telephone directory and discovered the section where owners are listed by lot #, which also includes a column in which one may say what state or province they're from. Our interest was piqued, and we did some counting. The calculations aren't 100% accurate, but the findings were as follows:

- 25 States and 3 Canadian provinces are represented by owners in Stonehedge
- The state with the most representation is NY (29) followed by MA & PA (18 ea.), MI (17), and OH (15).
- 113 of us elected not to declare

We checked with Tony in the office and he tells us that we all had the opportunity to say where we're from when we became owners but that some of us (which includes us) skipped that section. If you feel like it, stop by the office and update your info. We're going to.

It is refreshing to know there are people in this world with  
open and loving hearts:  
people who think of others and simply act out of the  
loving kindness of their hearts.

Our Stonehedge friends and neighbors are ever  
unique and loving souls sent to be a  
shining example of neighborly love,  
compassionate care, and simple kindness.

We want to thank you for your thoughtfulness,  
prayers, visits, gifts and cards during Jim's illness.

We are grateful for all you have done.

*Sincerely,*  
*Jim & Joyce*  
#234
