Hope this new year has started out well for all. I always hear how time flies and I notice that when I don't pay attention to time it does get away from me. The other day I seriously thought there was an issue with the office clock. I tried to guess the time before looking at the clock and after thinking of what I had done for the day up to that point, I came up with 10:30 or 11AM, IT WAS ACTUALLY 3:10PM!! I had absolutely no idea what happened to the day. I had to take a minute to remember the date and year. I also took some time to think about accomplishments for the past few weeks and months and realized that a lot has been accomplished and that time was not flying. I realized that when I do not take the time to enjoy daily, weekly or monthly accomplishments and travels or even take the time to enjoy the sunshine for part of the day, that's when time flies.

I try to make it a point to check the time after a daily project, a weekend choir, or visit to a friend, is completed and to check at the end of the week as well, making sure I check the calendar for the date. When I do this, I realize that time does not fly and that I have accomplished a heck of a lot. You need to take the time to enjoy your time and plan for the next time.

To put things into perspective, as I was writing, these 2 residents came into the clubhouse asking where everyone was for coffee hour. It was Tuesday morning. Haha I won't say who they were because we have all been there (Self included).

I love when this happens – I feel like I have been given an extra day to enjoy Florida. Make the best of it.

Stonehedge things: No ongoing projects to speak about at this time

Maintenance man - As most of you may know we have a new maintenance man. His name is Art. He has been with us since January 7th this year. He is a hard worker who has experience working on Condos and Hoa's with Ameri-Tech on other properties. He has been quick to learn and eager to do so. He has proven to be friendly and cooperative to the association and residents. There is a lot to learn here at the Park and I feel he will fit in nicely.

Parking on sidewalks – The Board only asks that residents to be considerate of your neighbors. You are the first line of defense to let contractors know to not park on the sidewalks. Simple, when a contractor is scheduled, tell them to park completely in the street or when they arrive at your home let them know. I have consistently had to tell contractors, who politely move their vehicles. This is something you as a homeowner should be concerned about.

Parking on the Street. There is no overnight rule that you cannot park on the street overnight. With narrow enough streets and a 55+ community it is strongly requested that you do not park overnight making it more difficult to drive at night on our roads. I have seen some cars parked overnight when there is plenty of room in the carport, some even empty. Again, this is just a matter of courtesy. During the day when the park is full and there are plenty of contractors in and out of the park your car just remains another obstacle for residents to maneuver around.

Dogs off leash – This is an ongoing issue – and it should not be – It is inconsiderate to your neighbors and of park rules. As well as being a Pinellas County restriction along with not tethering your dog unattended - which also happens in the park. Neither I, nor your neighbor, nor the people who voted on the rules, care how well behaved your dog is.

As it has repeatedly been mentioned at meetings, in the rules book, and in the newsletter, if you don't like a rule as stated then you have every opportunity and right to petition to get it changed, but no right to disregard it before that.

Spectrum proposal. Spectrum representative Tom O'Halloran is expected to visit during coffee hour on **February 6** to discuss any issues that residents may have in understanding the proposal for WIFI. Please plan to attend. From our ongoing efforts to educate residents on this vote it is a very cost saving proposal for well over a majority of residents.

A REMINDER even if you do not currently have WIFI in your home. The proposal includes 2 free boxes for the life of the proposal. So, if you do not have WIFI and have a box or 2 or more, you will be saving \$8 per standard box* once the "one box free" promotion is over. The initial proposal adds approximately \$27.27 to our monthly fees (minus the \$8-\$16 or more for the box cost), you may effectively only be paying \$11-19 for WIFI monthly.

*Standard box is just that (no recordable features), if you have a recordable box you will still be billed separate for that recordable feature box.

Homes for Sale

We have received information on 14 homes for sale, 4 of which have contracts pending (CP):

Unit 1 - \$89.9K for sale by owner; **Unit 16** - \$62K; **Unit 84** - \$50K; **Unit 95** - \$68K (CP); **Unit 101** - \$76K(CP); **Unit 105**- \$85; **Unit 122** - \$74.5K; **Unit 124** - \$82K; **Unit 126** - \$89.5K; **Unit 158** - \$72.5K(CP); **Unit 165** - \$79.5K; **Unit 225** - \$67.5K(CP); **Unit-232** - \$96K; **Unit 243** - \$174.9K.

Wishing everyone at Stonehedge and your families a wonderful start to a Happy New Year

Laugh when you can, Apologize when you should
Do not dwell on what you cannot change, Let go of what you cannot control

Take charge of what you can

Make forever moments whenever, Safe travels, enjoy family, love life.

Landscape Knowledge from Pinellas County Extension University of Florida

Hello Everyone,

It is the time of the year again – you might have guessed it, I am not only referring to the Holidays. I am writing to remind you to skip a week of irrigation during the cooler months of December, January and February.

According to the University of Florida, grass doesn't need to be watered as often during the cooler months. In fact, this time of the year,

St. Augustinegrass only needs one-half to three quarters of an inch of irrigation-water every 10-14 days.

Overwatering does not only waste water it also can encourage pests and diseases in the landscape. Skipping a week of watering is as easy as 'off' for community associations and residents with irrigation timers. Turn the timer to 'off' for the week that you want to skip, and 'on' for the week that you want to water,"

You can determine when your grass needs water when

- Grass blades are folded in half lengthwise.
- Grass appears blue-gray in color.
- Footprints remain on the lawn for several minutes after walking on it.

Watering only every other week or less during the winter will not only improve landscape health, it will also help to conserve drinking water and protect our resources. Therefore start "skipping" today and spread the word among your friends, neighbors and clients.

For additional information please refer to the University of Florida/IFAS fact sheets

*If yellow Roses grow in Heaven,
Lord please pick a bunch for me,
Place them in my Sandys arms
and tell her they're from me.
Tell her I love and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.
Because remembering her is easy,
God took the Time to love me,
by creating you my Angel Sandy*

*My Fishing Buddy
love Joe & Family*

To Our Stonehedge Friends and Family

David, Bill, and I and my brother Jon thank all of you for your kind words, hugs and cards. I want to thank especially Kay and Terry Ellingson, Roberta and Bob Kindig, and Marcia and John Hughes for planning and putting together the wonderful party to commemorate Scotty's life. They did an awesome job of notifying old friends from afar as well as new ones here in the park. We were truly humbled by the turnout and everyones' generosity. The covered dishes and desserts were delicious and beautiful. Scotty's last couple years were very difficult for him. He could no longer be as active or productive as he had always been. We believe he is now in God's hands and resting comfortably and peacefully.

Again, many thanks to all for your concern, caring, and generosity.

Judy, David, and Bill Scott

CARPORT SALE

Our Annual Carport sale will be held on Saturday February 23rd. The sign-up sheet will be posted on the bulletin board. The sale will be open to the public from 8:00 AM to 1:00 PM. We will deliver tables to your house if you need one but if more are needed, we will have to see if there are enough to give to everyone. You may call me with any questions at 727-935-7691. This is a great time to declutter and make some cash! Residents did very well last year and put some money in their pockets! And of course, if you want to get a head start, you can always get a preview and chat with your neighbors after tables have been delivered, but before the public arrives (I'm just sayin...) Thank You!

SPRING FAIR COMING IN MARCH

This year the Stonehedge Spring Fair will take place on March 2nd and go from 10:00A til 3:00P. Please donate any unwanted items for our fair, as proceeds from the sale help fund our community activities. Please donate only clean, salable items (No old TV's or large appliances - such items don't usually sell and their disposal is costly to our Park!). There will be a sign-up sheet for pick-ups of items for the fair. As always, park residents can shop the day prior and put items on hold to be paid for the day of the sale. We're always looking for clothing, jewelry, glass-ware, linens, furniture, tools, kitchenware, pictures, bric-a-brac, etc!

TIME TO PASS THE TORCH

Sandy and I would like to offer a big Thank You to all who have helped make the annual Christmas Pot Luck Dinner a great success. Over the past years volunteers have purchased and baked turkeys, made dressings, donated supplies, and helped set up the hall, deliver dinners to shut-ins, cleaned up and taken out the trash. It has all been GREATLY appreciated. Also, a special Thank You to Chloe Pokracki for the photo memories over those years. People of Stonehedge have cooked and brought wonderful dishes to share, always making the Christmas Potluck an enjoyable dinner.

That said, the time has come to “pass the torch”, as they say, so step up and let’s keep the Christmas Pot Luck a Christmas gift to all. Sandy Aldrich has notes and helping lists written up, and she’ll pass them on to the next generation of “In - charge” people.

We have truly enjoyed every minute spent arranging, gathering supplies, and striving for the perfect dinner. It truly has filled our hearts with the true meaning of Christmas.

We want to express our heartfelt Thanks to everyone.
