

MANAGER'S KORNER

May 2020

Tony Toscano

I hope all are doing well. We are doing fine - a "Thank you" to those who have showed concern. I started 3-4-5-6 times to write the manager's report this week and even though I have story after story to share with you, it never came. Stories about my 24-hour refund day off, my \$1200 tuna fish sandwich fishin' trip and yes, even the dog sex story, but I could not keep one thought long enough to write it down. Anger, frustration, bitterness, confusion, and it may even come out in this article.

Maybe I'll just be truthful again:

It amazes me how 5% of the people in your life cause 95% of the issues in it. I guess we all have a choice to get away from it (unless its family) , but that may not be fair to others, so we make the best choice for ourselves. Just because someone deserves respect it does not mean their actions are respectable or acceptable.

I am pretty angry as I write this today - so I'll write down the rest of how and why I feel the way I do and later see what my thoughts are, although I may not hit send...

I'll go over park items first.

Until this COVID-19 issue is resolved to where we can feel comfortable, we will be on a day to day schedule with regard work schedule and Board meetings (if at all held by conference) - they will be announced.

Projects—now with the rains coming we can get some of our plantings done.

- Tree trimming will be done the first week of May
- Stump grinding will be scheduled towards the end of May

- We hope to purchase the 25+ palms shortly and have them planted by the end of May as well

All depends on contractor schedules and businesses that are open

Clubhouse- all the clubhouse floors, tables and chairs have been cleaned and sanitized with a hospital grade sanitizer. Ted continues to sanitize the doors and railings in and around the clubhouse. Thank you, Ted.

North Gate- Repaired and operational - same clicker - A tremendous Thank you to those who purchased the temporary gates and to those who opened and closed regularly. Dick Babcock, George Daly, Terry Ellingson, Dave Schuyler, - I apologize if I missed anyone. Thank you

Homes for Sale - just can't keep them around

Unit 84 - listed by owner - 70K

Unit 90 - lot ready for a new home

Unit 188 - \$92.5K listed by owner

I wrote it down, the truth was pretty ugly, I erased it, I hit send... Have a nice Day!

It feels good to practice what you preach and be truthful to yourself- they will know.

Laugh when you can, Apologize when you should Do not dwell on what you cannot change, Let go of what you cannot control, Take charge of what you can, Make forever moments whenever, Safe travels, love life.

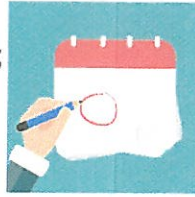

Tony

WHO WAS THAT MASKED PERSON?

I would like to give a Big shout out and thank you to Sandy Catt for donating her time and energy for making 200 masks free to the residents of Stonehedge You are a special person and I wanted to let you know how much we appreciate you ! Love you, **Christine Roberson, #265**

ACTIVITY COMMITTEE NEWS

Marlene Hall, Secretary

Dear Stonehedge Friends,
As you know, our fun and activities season came to an abrupt end March 15 when we had to discontinue all activities. We had a great season and hated to see it end so early, but the Coronavirus forced us to do so. So needless to say with no April meeting, I didn't get to thank those who helped in March and also those who helped all year to make our 2019-2020 season successful and lots of fun.

- * All that helped with Spring Fair. It was an amazing and very profitable venture!
- * Dick and Sue Babcock & helpers - I realize St. Pats was very different, but what a wonderful meal.
- * Peggy & George Mcbee - They always make sure the supplies are plentiful and arranged in the back room in a very organized/easy to find order.
- * Liz Barth - She has that back storage room memorized I think. She knows where everything is and keeps it so organized.
- * Donna Kinsey - being in charge of the card groups.
- * Shuffle men - not sure who is in charge, but you do a great job! Courts look great and you had a very good season.
- * Monika Lentze - Book Club
- * Owen Dunstall - Genealogy
- * Lou Ann Wicher - Line Dancing
- * Stan Hall & Gary Barth - hosting Men's Luncheon
- * Those who hosted Ladies Luncheons
- * Jim Haehl - hosted Karaoke
- * Wendy Mosher & helpers - Bingo
- * Cindy Stinard - Craft Club
- * Gary & Joanne Campbell - Bowling
- * All volunteer helpers

I hope everyone has a safe and wonderful summer. See you in the Fall. I have a proposed calendar posted on bulletin board. If you have any new ideas/want to host, let me know.

THANKS, NEIGHBORS !

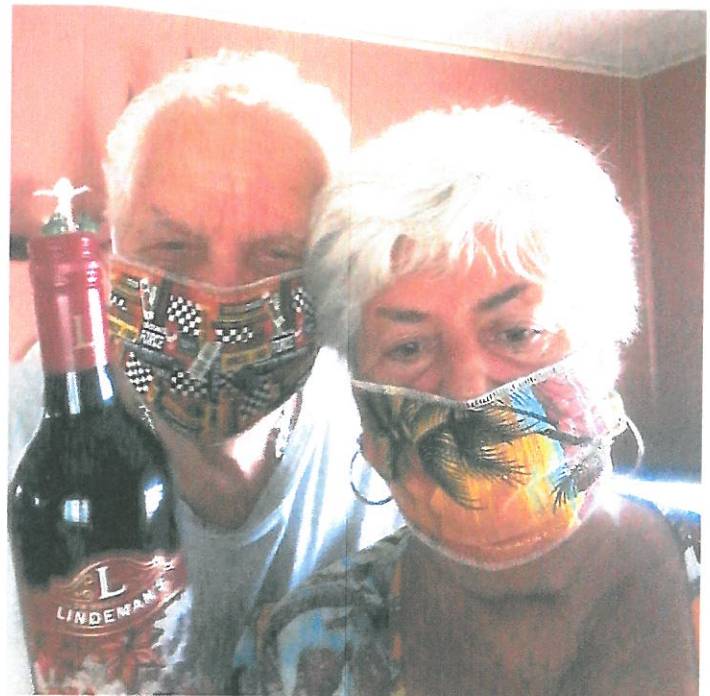

A big thank you to our neighbor, Cliff Thomson #262 for cleaning up the landscaping around the Pic-A-Nook area. He spent the better part of a day on the landscaping. Take a look, it looks great. Also thanks to Dick Babcock for closing/opening the back gate while it has been under repair.

Sue Elton, #261

THANKS SEW MUCH

So many thanks go to my fellow "sew-ers" in Stonehedge who have spent hours making face masks (while whittling fabric stashes) to give to Stonehedge residents, community facilities, friends, family and strangers. Our designs are as varied as the workers but they are all meant to keep people safe from COVID-19. It's great to see folks come together for this cause so generously. Thanks and stay safe.

HELLO NEIGHBORS

We are Rick and Nancy Carmack, and we are your new neighbors at 215 Druid Circle. We are from Tallmadge Ohio, we have two daughters, one here in Florida and one in Cincinnati, Ohio. We have 9 grandchildren and 4 great grandchildren. We live with our dog Sadie, a king charles cavalier spaniel and the queen of the house. We love golfing, bowling and card-playing and we can't wait to get out and become involved with all our new neighbors and friends in the park. We don't think we could find a better place to live and we are looking forward to the months and years to come! **Rick & Nancy Carmack, #215**

Our Deepest Sympathy

Our Heartfelt Condolences go out to the families and friends of lost loved ones:

Robert Sheriff

(Editor's Note: Gale's eulogy of Ervin Harmon, below, was meant to appear in last month's Beacon, but didn't due to an editorial error. Our apologies to everyone affected)

OUR LAST DANCE

I would like to thank everyone who sent special condolence cards and made calls in honor of ERVIN HARMON. He will be missed for his special smile and humor and always a kind word for all he met.

At his request I did not have a service for him. He felt that all who reached out to him during his past several months showed there kindness and caring and for that he was grateful. HOWEVER, Erv will be having a great send off by his family members in California, Oregon and Reno who will have a celebration of his life with all of them who he seldom saw very much. Erv has 4 sisters and a brother. His son Irvin who lives in Washington is setting up the celebration with Erv's 5 siblings and their families sometime in June. He will be laid to rest with his wife Marjorie of 37 years in Sacramento, CA.

I have been sending pictures of Erv's life with me for the past almost 22 years. His life here at Stonehedge and also in Groveland MA. It has been such a special journey, one that will live in my heart forever.

Thank you again for all the love and caring that has been shown here at Stonehedge. A special Thank you to Ted, Erv's good friend who came over almost every nite the past month to watch tv with us - he kept Erv awake by fast forwarding the Hallmark movies we watched and enjoyed. Also thank you to my Son Alan for all the rides to doctors appointments and also to Diane for the meals and comfort they both have been to us. He will be missed.

WHAT'S NEW?

We don't know about you, but to us just about everything feels new these days. The annual migration away from the hot Florida sun began at least a month early, aided by the threat of closed borders, (particularly those to the north) and encouraged, we suspect, by a feeling that if you're going to have to go through something you can't quite get your head around, you might as well do it in the place you still think of as home (where everyone knows your name (to quote a famous TV theme song).

For those of us still here at Stonehedge, the community very suddenly got a lot smaller! In addition to that, the science tells us our best bet to dodge Covid-19 is to lay low, which leaves us on our linais talking to the folks getting their daily laps in through our window screens. Which brings us to another ponderable: why don't we recognize these people?

Well, the good news is that it's not (necessarily) because our minds are shot. Manager Tony Toscano just provided us with information that within roughly the last 12 months we've had a turn-over of 40+ properties here in the park (12 since January!). It's no wonder we don't recognize the folks we're seeing go by, we may well have yet to meet them!

It is our hope to change this situation. First of all, we would like everyone who is new to Stonehedge since January to send us a picture (a selfie will be fine) along with a line or two about yourselves. If you want to go into more detail, so much the better. Our email address is gusayers2@gmail.com. In the mean time, we will do our best to make contact with all you newbies in hopes of letting everyone know you a little. We hope you'll help us. It's hard to say when the weekly Wednesday coffee & Donuts will be back on the calendar, but until it again becomes "wise to socialize", we'll say hi as if we know you (from at least 6' away). Stay safe!

STONEHEDGE IN QUARANTINE

Well, it certainly wasn't a typical April or Easter Season. The streets in Stonehedge are empty, the pool is closed, there were no dances, coffee, shuffleboard matches, or social gatherings!! Those are the negatives. However, the virus quarantine brought out the best in many of our residents. Several ladies dusted off their sewing machines and made face masks to distribute to keep residents safe. Others cooked Easter meals and delivered them to neighbors. Some took advantage of the extra time to read a new book or try out a new recipe; to make those phone calls that hadn't been gotten around to; to binge-watch TV shows; to spend face-time with family and friends in socially-distanced chats in carports;; to renew closeness with one's spouse; to realize how nice quiet time can be! Many residents used the "down time" to complete home improvement projects, or to beautify their yards, while enjoying take-out meals (helping local restaurants stay afloat) and watching the progress of a whole new neighborhood springing up across the fence. COVID-19 has changed our world and effected our lives; things will never be the same - but perhaps that's a good thing; hopefully, we have learned to appreciate hugs, friendships, freedom, shopping, eating out, haircuts, nail salons (haHa). But the virus didn't stop the sun from rising, or our watching beautiful Florida sunsets. And, Easter came, we watched services on television, and we prayed for an end to the pandemic - and our prayers will be answered. We realize even more what an amazing place to live Stonehedge is!

Home and Neighborhood.

- ✓ Good locks, simple precautions, neighborhood awareness, and common sense can help prevent most property crimes.
- ✓ **Lock Doors, and Windows.** (about half of all burglars enter through unlocked doors and windows).
- ✓ Secure sliding glass doors with locks or a rigid wooden dowel wedged in the track.
- ✓ Lock double-hung windows by sliding a bolt or nail into a hole drilled at a downward angle through the top of each sash and into the frame.

Outside.

- ✓ Trim back shrubbery hiding doors or windows.
- ✓ Cut back tree limbs that could help a thief climb to second story windows.
- ✓ Make sure all porches, entrances, and yards are well lighted.
- ✓ Maintain the neighborhood. Dark alleys, litter, and rundown areas attract criminals.

Key Sense.

- ✓ Do not hide house keys in mail boxes, planters, or under doormats.
- ✓ Do not put personal identification on key rings.
- ✓ Leave only your ignition key with mechanics or parking attendants.
- ✓ If you lose the keys to your home or move into a new home, change the locks immediately.

Answering the Door.

- ✓ Install a peephole or viewer in all entry doors so you can see who is outside without opening the door.
- ✓ Do not trust door chains. They can be easily broken.
- ✓ Don't open the door to anyone you don't know.
- ✓ Insist service personnel verify their identity before allowing them in.

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*
