ELEPHANT STEW

Ingredients:

- 1 Medium elephant
- 2 rabbits
- Salt & pepper to taste

**Cut elephant into bitesized pieces
(takes about 2 months)**

Add enough gravy to cover

**Cook over kerosene fire for about
4 wks at 465°F**

**This will serve 3800 guests. If
more people come than expected,
the 2 rabbits may be added, but do
this only if necessary, as most
people don't like hare in their stew**

I'm like a little kid when it comes to December "happenings". Decorating our homes, the clubhouse, and outside, just puts us in the holiday mood. And I love it!! Activities are also a big part of the festive mood, too! Come join us....lots of fun!!

December activities planned:

12/4 - Golf Cart Parade-hosted by Nancy & Rick Carmack. Start lining up at 5:30 and pull away at 6:00. Always fun!

We are very happy to celebrate this holiday season with Stonehedge residents!

Although we're always ecstatic to learn that none of our friends and fellow 'Hedgers have been afflicted during the previous month, we are not always convinced that our information is complete or correct. We would like to improve that situation if possible, and toward that end we're wondering if there is someone in our midst who has their ear to the ground, so to speak, and might be willing to communicate with us every month (preferably sometime around the end of each month) their awareness of any changes in the vital statistics of our membership. If you have any interest in taking on this responsibility, please email us at gusayers2@gmail.com. Thanks!

Lance B. - They gave us a fair price, then followed up with good work. It was raining the morning they were scheduled to work, but showed up shortly after the rain quit. They put as many people as possible on the project so they could still get my new roof on by the end of the day. My satellite dish got accidentally damaged during their work, but I called them and Joe came right out and paid me on the spot for the cost of the replacement dish. Excellent work, even better customer service!! I would definitely recommend Community Roofing for everyone's roofing needs!!

Faye S. - SATISFIED? That's an understatement! After being a contractor my entire life, this company rates at the top of professionalism!!! Additionally, my roof was completely intact after hurricane Irma passed over my home last night! Highly recommended!! Faye S. Harbor Cove, North Port, FL

Bonnie W. - I had 3 other estimates for my mobile home roof before I was lucky enough to have Joe come to my home. He was so professional & knowledgeable in explaining exactly what would be done in my roof replacement. The real bonus was he could save me a lot of \$\$ over the other quotes I had! The crew came today to do my roof & did a superior job! The quality of work is top notch. The men were all hard workers & friendly professionals. I would highly recommend this company to everyone!!

Norman R. - Had 4 roofing companies give me estimates for a roofer. Joe from Community Roofing came along, explained what he would do and answered all my questions, when he left all my worries were answered and he left me a neat estimate that had everything clearly outlined and no surprises.

Joe was great but would his crew deliver what he had promised. Feb. 21 2018 his 3 man roofing crew showed up on time and I could not be happier with the work they did, in no time things were getting done the 3 men all knew what they had to do and work was done as promised. When job was done I was asked if I wanted to go up and look at their work, it was better than expected. After they came off the roof they went around and picked up every last piece of left over materials leaving place spotless. I will recommend Community Roofing to my friends. Thank you to Joe and his crew.
