CAPE COD COMMENTARIES

The days dwindle down as the song says, leaving us with about 3 weeks until we're back in FL. The timing seems good, as the weather in MA has become decidedly more Fall-ish, with 70°F having become the old 80°, and the days have gotten shorter. For most of the summer it hasn't rained at all, but we just had several very badly needed wet days with likely more to follow, and we'll be glad to be home, where the sun shines bright.

It's been a busy summer, with lots of visiting friends and family to entertain, lobster rolls to be served (and eaten), as well as dramatic and musical events to attend. We hope you all had good summers, and we look forward to hearing about them this autumn. On the other hand, if you'd like to beat the rush you can send us an article by email, and we'll put it in November's *Beacon*. We'll talk soon.

CRAFT CLUB TO RESUME

Come join us in October! We'll be resuming on Tuesday 10/4 at 9:30. Set your creativity free.

Cindy Stinard, #13

BRIDGE PLAYER(s)?

We will be meeting on Tuesdays at 1:00P. The sign-up sheet is on the bulletin board in the clubhouse. Dust off your *Blackwood's Card Play Fundamentals* and Join us.

Two hillbillies walk into a restaurant. While having a bite to eat, they talk about their moonshine operation. Suddenly, a woman at a nearby table, who is eating a sandwich, begins to cough.

After a minute or so, it becomes apparent that she is in real distress.

One of the hillbillies looks at her and says, "Kin ya swallar?" The woman shakes her head no. Then he asks, "Kin ya breathe?" The woman begins to turn blue, and shakes her head no.

The hillbilly walks over to the woman, lifts up her dress, yanks down her drawers, and quickly gives her right butt cheek a lick with his tongue.

The woman is so shocked that she has a violent spasm, and the obstruction flies out of her mouth.

As she begins to breathe again, the Hillbilly walks slowly back to his table. His brother said, "Ya know, I'd heerd of that there Hind Lick Maneuver but I ain't niver seed nobody do it!"

New water meter's- have been Justifying their install by detecting three units over last month with water leaks averaging about 300 gallons/hr. Each. I am monitoring daily.

Lighting at front entrance was on due to photo cells and installation of new cameras. Electrician will be out to run new lines on island.

Cameras- Two new cameras have been added to club house giving 360 Degree view along with the two at North entrance and Two at 19(main) entrance, including plate reader are installed and being monitored.

Pool Hrs.- We are still experiencing people not wanting to leave pool . Hours. are clearly posted. We all need to adhere to the Rules.

Lance B. - They gave us a fair price, then followed up with good work. It was raining the morning they were scheduled to work, but showed up shortly after the rain quit. They put as many people as possible on the project so they could still get my new roof on by the end of the day. My satellite dish got accidentally damaged during their work, but I called them and Joe came right out and paid me on the spot for the cost of the replacement dish. Excellent work, even better customer service!! I would definitely recommend Community Roofing for everyone's roofing needs!!

Faye S. - SATISFIED? That's an understatement! After being a contractor my entire life, this company rates at the top of professionalism!!! Additionally, my roof was completely intact after hurricane Irma passed over my home last night! Highly recommended!! Faye S. Harbor Cove, North Port, FL

Bonnie W. - I had 3 other estimates for my mobile home roof before I was lucky enough to have Joe come to my home. He was so professional & knowledgeable in explaining exactly what would be done in my roof replacement. The real bonus was he could save me a lot of \$\$ over the other quotes I had! The crew came today to do my roof & did a superior job! The quality of work is top notch. The men were all hard workers & friendly professionals. I would highly recommend this company to everyone!!

Norman R. - Had 4 roofing companies give me estimates for a roofover. Joe from Community Roofing came along, explained what he would do and answered all my questions, when he left all my worries were answered and he left me a neat estimate that had everything clearly outlined and no surprises.

Joe was great but would his crew deliver what he had promised. Feb. 21 2018 his 3 man roofing crew showed up on time and I could not be happier with the work they did, in no time things were getting done the 3 men all knew what they had to do and work was done as promised. When job was done I was asked if I wanted to go up and look at their work, it was better than expected. After they came off the roof they went around and picked up every last piece of left over materials leaving place spotless. I will recommend Community Roofing to my friends. Thank you to Joe and his crew.
