CAPE COD COMMENTARY

August on "The Cape" was hot-hot-hot (we had high 90s) and dry. ..And busy, with visits from friends at Stonehedge, daughter and her family, and old friends. On top of that, the summer of '22 seems to have been one of getting back together with old friends who had disappeared from our radar (e.g. old college roommates and colleagues), which provided us with many great opportunities for catching-up, and/or dusting off favorite old "war stories." The lesson would seem to be that some relationships are strong enough to weather the test of dis-use.

We'll see you all back at the 'Hedge" in the Fall (we'll be there in the first week in October), but there's still time for you to send us a précis of what you did while we couldn't see you. We've got the space if you'd like to share. We'll talk soon.

CELEBRATING 50 YEARS !!!

The Stonehedge community would like to acknowledge 2 couples who have been married (to each other!) for 50 years, Bruce & Mary Jo Mueller, since 8/12/72, and Art & Irene Suave, since 8/26/72. SRA rewarded their commitment with \$50 gift cards. Way to go, you guys!

NEWS FROM THE DUNSTALLS

We have been enjoying ourselves, in spite of the heat and humidity. Our complex outdoor pool finally opened mid July so I go there most afternoons. Our golfing has been in the early mornings-about once a week, walking 9 holes. We are happy that some of the fears re covid have been set aside and we can see more of our family. We have still not been all together since Christmas 2019 but we do see one at a time. I can't blame covid entirely-everyone's just so very busy!

We are planning to be in Stonehedge the first week of November. Our hope is that people will be careful but that we will be able to return to a somewhat "normal" lifestyle there and get to events and activities. Do take care, stay safe!

SHUFFLE NEWS

Hello "Rounders" and all. So far, we are having a wonderful but Hot summer. The Shuffle courts are open and discs polished for practice and play. The best times to play because of the heat is early morning or evening (if it's not raining).

"Fun" Shuffle has continued on Tuesday evenings from 6 to 9, weather permitting. We are having a regular turn-out of 6 to 8 players and all are welcome. We probably will have larger numbers this fall.

Of all the things on the Shuffle teams wish list for the courts would be Shuffle score boards. A sincere thanks to SRA and Mr. Dick Elton, this wish has been granted at far less money for the materials than was estimated. All 6 Chalkboards have been replaced with new white erasable 10 frame boards which are far easier to see and far less messy with all the old chalk residue. Thanks to Dick, all labor was accomplished by him and the feedback has been excellent. So if you see an SRA member or Mr. Dick Elton please thank them as they not only saved us a great deal of money, the courts themselves look better with the upgrades of new and improved scoreboards.

Stay Calm and Shuffle, everyone!

Larry Davis, #214

5 Star Rated ★★★★★

Lance B. - They gave us a fair price, then followed up with good work. It was raining the morning they were scheduled to work, but showed up shortly after the rain quit. They put as many people as possible on the project so they could still get my new roof on by the end of the day. My satellite dish got accidentally damaged during their work, but I called them and Joe came right out and paid me on the spot for the cost of the replacement dish. Excellent work, even better customer service!! I would definitely recommend Community Roofing for everyone's roofing needs!!

Faye S. - SATISFIED? That's an understatement! After being a contractor my entire life, this company rates at the top of professionalism!!! Additionally, my roof was completely intact after hurricane Irma passed over my home last night! Highly recommended!! Faye S. Harbor Cove, North Port, FL

Bonnie W. - I had 3 other estimates for my mobile home roof before I was lucky enough to have Joe come to my home. He was so professional & knowledgeable in explaining exactly what would be done in my roof replacement. The real bonus was he could save me a lot of \$\$ over the other quotes I had! The crew came today to do my roof & did a superior job! The quality of work is top notch. The men were all hard workers & friendly professionals. I would highly recommend this company to everyone!!

Norman R. - Had 4 roofing companies give me estimates for a reroof. Joe from Community Roofing came along, explained what he would do and answered all my questions, when he left all my worries were answered and he left me a neat estimate that had everything clearly outlined and no surprises.

Joe was great but would his crew deliver what he had promised. Feb. 21 2018 his 3 man roofing crew showed up on time and I could not be happier with the work they did, in no time things were getting done the 3 men all knew what they had to do and work was done as promised. When job was done I was asked if I wanted to go up and look at their work, it was better than expected. After they came off the roof they went around and picked up every last piece of left over materials leaving place spotless. I will recommend Community Roofing to my friends. Thank you to Joe and his crew.
