Beacon Distribution

The *Stonehedge Beacon* is published monthly to keep you posted on Park News and Activities.

The Beacon is available in color electronically at stonehedgeonthehill.org. It will be available in a box placed at the mailboxes and inside the Clubhouse. If you are unable to pick up your copy of the Beacon, we can arrange to have a copy delivered to you.

Welcome to our new monthly Tech Column

Advisory Group Members: Jean Finley-Donohue, Carol Bohling, Don Bohling, Donna Finley-Donohue, Dawn Huffman, and Terry Munson

We are excited to share important technology updates with the community.

In this edition, the new **Spectrum Bulk Contract** and what it means for our community.

Contract Activation and Billing Dates

The new Spectrum Bulk Contract will be activated on 12/26/2025. For Stonehedge residents, the effective billing date will be 1/25/2026.

Upgrade Details for Current Spectrum Users

If you are already a Spectrum customer, no action is required to receive the upgrade. The transition will occur automatically, ensuring a seamless experience for all current users.

TV Service Upgrade

Each unit will be upgraded from Spectrum TV Select Signature to Spectrum TV Select Plus. This enhanced package includes all features from the previous plan and adds several new channels: MLB Network, NBA TV, NFL Network, NHL Network, and Tennis Channel.

In addition, you will continue to have access to the streaming apps currently available in your plan, including Disney+ Ad Supported, Hulu Ad Supported, ESPN Unlimited, HBO Max Basic with Ads, Peacock Premium with Ads, Paramount+ Essential, FOX One, AMC+ with Ads, ViX Premium with Ads, and the Tennis Channel.

For a complete list of channel lineups, please visit this link <https://www.spectrum.com/cable-tv/channel-lineup> Spectrum will also mail out detailed information prior to the upgrade.

Internet Service Upgrade

The Internet connection will be upgraded to Spectrum Internet Advanced Community WIFI Ultra. This upgrade will increase download speeds from 400 Mbps to 600 Mbps, while upload speeds will remain at 20 Mbps. These improvements will result in faster streaming, reduced latency, and support for more connected devices.

Equipment Provided

The new services include the following equipment: two Xumo Boxes or two top set boxes, one modem, and one router. If you are currently on the Spectrum Bulk agreement, you should already possess this equipment and do not need to add any more.

Don't be a Drip - Check for water leaks

Approximately 80 water meter sending units were recently replaced, allowing management to view continuous and excessive flow for each home in our community. What I am now able to see is that we have quite a few homes with slow leaks. In the process of notifying owners, I am finding that the most common leaks are toilets that keep refilling. The average continuous flow is 13 gallons per hour/312 gallons per day. We currently have 17 units on our continuous flow list. This means that we have approximately 5,000 gallons per day literally going down the drain.

Please, check your faucets and your toilets, even in unused bathrooms, for possible leaks.

A volunteer sign-up sheet has been posted on the bulletin board for anyone who would like to **pressure wash sidewalks** for you and/or a section of your street. Everything will be set up for your use and instructions will be given on how to operate.

Tenants, please be aware that a hose could be connected to your irrigation pipe to supply water to the pressure washer.

VOLUNTEER GET INVOLVED

We are currently in the testing stage of the Stonehedge owner portal, known as Cinc. If you have not already registered, you can do so at <https://www.ameritechcompanies.com> on the top righthand corner, under the "Resident Portal" tab. If you need assistance, please contact the office.

Solid Waste, Recycling & Yard Waste Schedule

There will be **No Solid Waste Collection** for Yard Waste or Recycling on **Christmas Day or New Year's Day**. Regular collection will resume the following regular collection day. There will be **no Friday pick up** for the lost Thursday. Please store appropriately for the next scheduled pick up.

2026 Monthly Maintenance Fees

Stonehedge Board of Directors has approved the 2026 Budget. The **monthly maintenance fee** will increase to **\$380.00 beginning January 1st**. If you are currently set up to have your monthly fees pulled directly from your account on the 3rd of each month (ACH), you will not need to do anything as it is automatically changed. If you have instructed your bank to send payment monthly (Bill Pay), you will need to contact your bank to make the necessary changes. If you pay by check or money order, you will receive your 2026 coupon book directly from the SRI bank. If you are not sure how you have been paying, please contact the office for assistance

Larger Than Cans Aluminum Recycling

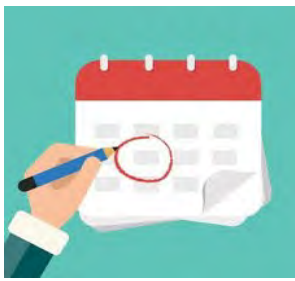

Over time, maintenance has collected up pieces of aluminum and has stored them in the garage area. Old ladders, gutters and downspouts, awnings and who knows what else is under the pile. This **Wednesday, Dec. 3rd**, we will be renting a trailer and taking to be recycled. If you have pieces of aluminum lying around and would like it hauled away, feel free to bring them up to the garage for disposal, **no later than 8am Wednesday**. If you would like to help load the trailer, please contact the office or maintenance. All proceeds pay for the trailer rental (approximately \$25) and the remainder will be used for the purchase of an ice machine for the clubhouse.

Sunday -1/25 - TALENT SHOW

WE NEED people to sign up!! I am sure we have lots of talent in the neighborhood!!!

KNOW YOUR NEIGHBOR

I am considering beginning a new piece for the *Beacon* that will highlight some of our great residents. I have always said that everyone could write a book...and should. This endeavor will not be a book, but a few paragraphs that tell us some things we know about our neighbors, and a few things we don't.

Please contact me directly if there is someone you would recommend that I speak with. Yes, I will sit across from some folks and ask them questions about their lives, and what led them to Stonehedge. You never know, we might have famous people living here? Perhaps we can make some famous...I can be reached at
