Spring Cleaning? Why not make a few dollars by cleaning out your closets and sheds. **Communitywide Carport Sale**
Saturday, March 15th, 8am – 1pm

While you are sorting, set aside those sensitive papers you no longer need and join in on the **Annual Shred Day**, which is free to residents of Stonehedge. Stevens & Stevens will have locked shredding bins at the clubhouse on **Wednesday, April 16th, from 9am – 11am**. No metal objects, no wet paper, and no pill bottles. Staples and paperclips are acceptable.

Snowbirds flying home? Remember to change your mailing address through USPS, the Ameri-tech portal and/or by contacting the Stonehedge office by email or leaving information in the drop box. Snowbird/Travel Forms, which include the contact information for the caretaker of your home while you are away, are available on the table beside the office door and can be placed in the drop box as well.

Have you had the misfortune of locking yourself out of your home? Have you changed your locks? The Stonehedge office keeps a copy of your keys in your file in case emergency entry is needed or you need to borrow keys. Make sure your keys are up to date to save you expenses at a most inopportune time.

Golf Cart parking is at the rear of the clubhouse behind the pool, in the shell parking area. Event parking, (i.e. shuffleboard, parties, etc.) can use paved parking spaces, as long as carts are parked four (4) per parking space.

Per the Stonehedge Rules and Regulations, **“The dumpster at the Clubhouse** may be used only to deposit brush or plant trimmings...Leaves and plant trimmings should be placed in plastic bags.” Household waste is to be bagged, stored in a sealed container to prevent rodent access and placed streetside each Monday morning. Owners/Residents are responsible for ensuring contractors are removing debris from Stonehedge property. **Renovation/construction debris is forbidden in Stonehedge dumpsters.** This includes just one toilet, or small reno projects performed by residents. The truck can be reserved to take your debris a few blocks away to the local disposal site. Please remember, the dumpsters are not required and can be removed if violations continue to occur.
