Stonehedge Board of Directors has approved the 2026 Budget. The **monthly maintenance fee** will increase to **\$380.00 beginning January 1<sup>st</sup>**. If you are currently set up to have your monthly fees pulled directly from your account on the 3<sup>rd</sup> of each month (ACH), you will not need to do anything as it is automatically changed. If you have instructed your bank to send payment monthly (Bill Pay), you will need to contact your bank to make the necessary changes. If you pay by check or money order, you will receive your 2026 coupon book directly from the SRI bank. If you are not sure how you have been paying, please contact the office for assistance

We are currently in the testing stage of the Stonehedge owner portal, known as Cinc. If you have not already registered, you can do so at <https://www.ameritechcompanies.com> on the top righthand corner, under the “Resident Portal” tab. If you need assistance, please contact the office.

**Paperwork Confusion Breakdown**

Are you confused which form to use for which purpose? Let's break it down.

If you are making a change to the exterior of your home, a “**Request to Make Additions or Changes Form**” must be submitted, and approved, before work can begin. Requests are approved at the Board Agenda and Monthly Board meetings. Requests must be submitted no later than Thursday to be reviewed by the next Wednesday meeting.

Want to paint your trim/house without changing colors? Need to replace sod? Changing out your windows with like items? The “**Notice of Planned Maintenance Form**” must be submitted to management for approval, before work can begin. Before and after pictures are required.

The “**Work Request Form**” should be submitted for all irrigation work needed. This form is to be turned in to management in order to schedule maintenance for the repairs.

If you find items in the common areas of the community that need attention, i.e. downed limb, street light outage, etc. there's a form for that. The “**Park General Work Order**” can be submitted for management/maintenance to address.

## Inspirational quotes by Terry Rice

I have compiled the following quotes from famous people for you to ponder and hopefully inspire you to remain optimistic in life. I hope you find something in these that strikes a chord.

- “Don’t count the days --- make the days count. --- Muhammad Ali
- “Each morning, we are born again. What we do today us what matters most.”— Buddha
- “Choose to be optimistic --- It feels better.” --- Dalai Lama
- “Act as if what you do makes a difference.” --- William James
- “The best way to cheer yourself up is to try to cheer somebody else up” --- Mark Twain

Thank you to all that donated at the Ladies Luncheon. Miss Ellie & Deb Tudor presented a \$200 check to the Fire Department on behalf of Stonehedge

### A BIG THANK YOU

Thank you to all who helped in setting up the hall prior to the dinner and after the dinner. Thanks also to Carole Bradley, Beverly Cox, and Mary Jo Skiba for donating and cooking a turkey and to Dawn and Bill Hoffman for the turkey and ham. Many thanks to all the wonderful Stonehedge chefs for the delicious side dishes and desserts. Thank you, Brian Stutzman, for starting our dinner with a Thanksgiving Day prayer. Also thank you to Jean and Rich Calsada, Penny and Ron Curvin, Lyn Rydal, and Dorothy Siembieda for their financial support which allowed us to make the hall festive and for those that set it up. Now special thanks to Joyce Lester, Deb Bohensteihl, and Lyn Rydal, for taking the reins of my project as I lay in bed in rehab with a fractured femur making my "requests".  
Melanie Horaney and Joyce Lester.

### Tech Notes:

**Refresh Your Security Practices for the New Year**  
As the holiday season comes to a close and the New Year begins, it's an excellent opportunity to revisit and strengthen your computer security measures. Cybercriminals are continually developing more advanced methods, and it is likely that their attempts to create confusion and compromise security will only become more frequent. Taking time now to reinforce your basic protections can help you stay one step ahead.

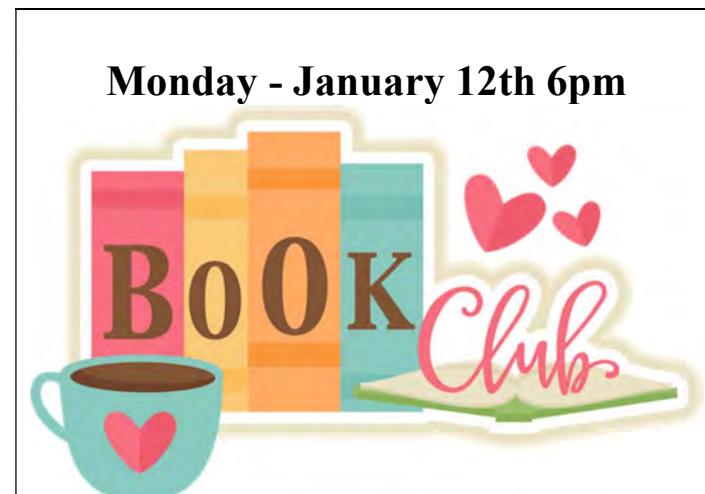

#### Home Computer Security Best Practices

- **Keep Software Updated:**  
Enable automatic updates for your operating system, antivirus software, browsers, and applications to ensure vulnerabilities are promptly addressed.
- **Use Strong, Unique Passwords:**  
Create distinct passwords for each account. Employ a reputable password manager (such as 1Password, LastPass, or Bitwarden) to generate and securely store complex credentials.
- **Identify and Avoid Phishing Attempts:**  
Verify sender email addresses for authenticity. Hover over links to inspect their actual destinations before clicking. For urgent account requests, access the official website directly rather than using email links.

Adopting these practices will significantly enhance your online security and protect your personal data.

## **IN REMEMBRANCE**

Our hearts are with our community as we pause to remember the neighbors, friends, and loved ones who have been lost over the past year. Each life mattered, and each absence leaves a space that cannot be filled. We honor their memories by holding close the kindness they shared, the stories they created and the impact they had on those around them.

May comfort be found in one another, strength in shared remembrance, and hope in the way this community continues to care and support each other during this time of reflection and healing.

## Watering Restriction

### District Declares Phase I Water Shortage

As of November 18, 2025, the Southwest Florida Water Management District (SWFWMD) has declared a Phase I Water Shortage due to dry conditions throughout the region. These restrictions are in effect December 1, 2025 through July 1, 2026.

The Phase I Water Shortage Order does not change allowable watering schedules, however it does prohibit "wasteful and unnecessary" water use, such as allowing water to flow from an unattended hose.

For additional information about the Phase I Water Shortage Order, visit the District's website [Watermatters.org/Restrictions](http://Watermatters.org/Restrictions).

### **Watering with Potable, Well, Lake or Pond Water**

Morning Hours: 12:01am to 8:00am

Watering is prohibited between the hours of 8 am and 6 pm.
