

STONEHEDGE RESIDENTS INCORPORATED (SRI)
ANNUAL BUDGET MEETING
Wednesday, November 11, 2020
Clubhouse Main Hall

The meeting was called to order at approximately 9 a.m.
Directors present: Elton, Findley, Kinsey, Mosher, Streff, Thomas. By phone:
Williams, Richards. Absent: Tudor.

Manager Tony Toscano reported that the attorney called last night and informed us that there is no need for a sign-in due to Covid 19 concerns about close contact. Proof of Notice is on file and was sent out 30 days ago. Toscano thanked the counting committee for being ready even though they did not have to count.

The Budget passed without a need for the presentation. However, Toscano presented a line by line review of the Budget figures to the members present. An increase of \$10 more per month is required to meet the budget. Thanks to the Budget Committee for their work.

A resident asked about making some enhancements to the Pavilion. That can be brought up at the regular Board meeting

.
A motion was made, seconded, and unanimously approved to adopt the budget as presented.

There being no further business, the meeting was adjourned.
